

TRIANGLE ELITE SOCCER COMBINE

1150 FORESTVILLE ROAD

WAKE FOREST, NORTH CAROLINA, 27587

PHONE: 919.621.1573

E-MAIL: HERITAGESOCCER@NC.RR.COM

Coach,

If we could bring 100+ players to you for one day and give you nearly everything you would need to know about those players in order to supplement your out-of-season recruiting schedule, what would that be worth to you?

The Heritage High School Husky Athletic Booster Club in collaboration with the Heritage Husky Soccer Program and Carolina Soccer Club will be hosting a 4 hour soccer combine for current sophomore, junior, and senior male and female prospective collegiate soccer players. The Triangle Elite Soccer Combine will take place from 10:00 am to 2:00 pm on Saturday, March 31st on the outdoor athletic facilities on the campus of Heritage High School in beautiful Wake Forest, NC.

Here is what college coaches should expect from this event:

- Classic Level Club and High School Players
- Wealth of Information including academic and athletic strengths
- Minimal or No Parent Contact
- Majority of Players recommended by Club and HS Coaches
- Combine Results Provided Same Day
- Draft Player Booklet Available in Advance
- Coaches' Hospitality Tent
- All games conducted at one facility
- Lunch provided for college representatives on day of event
- Videotaped skill sessions available upon request
- All combine fields are in tight proximity to allow coaches easy maneuverability amongst fields

With most collegiate coaches having restricted recruiting budgets, it is often difficult to scout prospective players and discover new players for your program. The Triangle Elite Soccer Combine will assist you in evaluating players, by position, in some of the core skills desired by today's collegiate coaches. Players will be placed in both 8v8 and 11v11 games and in a variety of skill sets which will allow coaches and recruiters to recognize talented players for their program. The activities will be very similar to those that a coach or recruiter might conduct when "working out" a player.

We would love to have you attend our event and recognize some of the elite level of soccer talent in the Triangle and surrounding areas. If you would like to either personally attend or send a recruiter please contact Combine Director Scott Sloan, CRSC Club President Scott Weiland, or CRSC Director of Classic Soccer and Coaching Steven Curfman.

Yours in education on and off the field,

Scott Sloan
